

MARSHALLTOWN WATER WORKS UTILITY MAINTENANCE MECHANIC

The Marshalltown Water Works (MWW) is accepting applications for the position of Utility Maintenance Mechanic. Under the supervision of the Facilities Manager, the Maintenance Mechanic constructs and maintains Marshalltown Water Works facilities and equipment, including buildings, vehicles and water treatment equipment.

The ideal candidate will have 5 years of experience in industrial maintenance; however, we are willing to train the right candidate.

For a posting with the complete job description and to download the MWW application, please visit www.marshalltownwater.com/employment or request by calling the MWW office at 641-753-7913.

ABOUT MARSHALLTOWN WATER WORKS

Marshalltown Water Works (MWW) is dedicated to providing high quality drinking water to Marshalltown and the surrounding area, treating an average of 6 MGD, using 8 groundwater wells and a Grade 4, 12 MGD lime softening plant.

We know that water is a valuable resource – one that plays a critical role in sustaining life, and we take our mission to protect public health seriously. At MWW, we are proud to be united by integrity, respect and the pursuit of excellence to be the best we can be for the customers and communities we serve. Together, the team at MWW uses science, technology, capital investments, and amazing talent to provide communities with clean, safe drinking water.

COMPENSATION:

Starting wage: \$22.80 – 31.92/hour, depending on experience and drinking water certifications
